**01954 780027 Longstanton/Cottenham**

**01223 426600 Cambridge**

Accidents and sickness can happen at any time and it is reassuring to know that we are there for you every hour of the day and night. However, it doesn't have to be an emergency for us to see your pet out of hours. [Click here to learn more](#)

### **What do I do in case of an emergency?**

If something happens to your pet, you want to know what to do - fast. This is precisely why Village Vet set up its own 24-hour clinic. We will help you every step of the way. Follow our 3 step plan below.

#### **Step 1: Act immediately**

If your pet is in distress, lethargic or giving cause for concern, it's important to get expert advice straight away. Waiting for normal business hours prolongs your pet's suffering and could seriously compromise its health. To talk to the Village Vet emergency nurse immediately call the appropriate number above.

#### **Step 2: Know the facts**

There are always two vets on call out of hours, so you have a dedicated, expert team ready to take action. Help your pet by passing on all the information you can. Remember this can save time in the long run; so do try to remain calm.

#### **Step 3: Take good advice**

Following the guidance offered will help to ensure that your pet doesn't suffer further distress or injury in the course of getting assistance. If in doubt, don't move your pet but keep it warm and comforted.

#### **Try not to worry**

Our 24 hour surgeries offer the finest facilities available. We are proud of the professional care that our nurses give every poorly pet, ensuring you both get the best.
