

Village Vet

Pet Privileges

Who rewards YOU when YOU'VE been good? We do.

At Village Vet we're not just here for you when your pet is feeling poorly. We want to help you keep your pet in top shape for life. If you want the same, then our new Pet Privileges scheme might be just the incentive you're looking for.

As a Pet Privileges Member you earn rewards for every penny you spend at a Village Vet practice - from vaccinations to operations, emergency or routine. You can then redeem your Privilege points as discounts on all preventative healthcare that we offer including:

- health examinations
- vaccinations
- dental descaling / polishing
- flea and worm treatments
- diet

You'll also benefit from special Member promotions. It's just a little extra to say 'thank you' for choosing us.

Register the next time you visit your Village Vet and start earning your first points immediately.
