Garden Suburb

Village Vet Garden Suburbs is a small, professional, friendly and caring Veterinary practice. Whether you are visiting us or simply telephoning for advice, we have a small nucleus of experienced staff all dedicated to ensuring that you and your pet are dealt with sympathetically and knowledgeably - yet retaining the personal touches sometimes lost in bigger practices. Our staff are all qualified and undertake ongoing training to ensure your pet receives the best possible treatment. The practice is well equipped and maintained, to ensure we keep to our high standards of care. It is also conveniently situated on East End Rd, at the top of Ossulton Way. Parking is free and easy. Together with the rest of the group, we are Royal College accredited, offer an emergency out of hours service, with other highly qualified vets within the group available for second opinions and twenty four hour nursing where needed.
