

Village Vet

Potters Bar

At the Village Vet Practice Potters Bar we have an enthusiastic team of vets, nurses and receptionists dedicated to providing a high level of compassionate care for your pets. We have a top quality modern facility with equipment to enable us to treat your pets with kindness, consideration and success. We encourage our staff to participate in continuing education. We have vets attending monthly courses in both medicine and surgery so as to continue to provide the best available care and advice. Our after hours service is provided by the Queen Mother Hospital for Animals at the Royal Veterinary College.
