There are 4 vets at the surgery with interests in internal medicine, surgery and ophthalmology. We are a tier 2 RCVS accredited practice and an approved veterinary nurse training centre. The surgery has 2 consulting rooms, a dedicated surgical theatre, x-rays, ultrasound, endoscopy, ECG, an in-house laboratory and kennelling for dogs and cats. Our superb, dedicated nursing team not only spend their days caring for your pets, but also run clinics for obesity and dentistry and puppy parties. This is all backed up with receptionists who are always happy to help you where possible.

We pride ourselves on the relaxed, friendly, caring atmosphere at our practice and would encourage you to call or pop in anytime to gain from the wealth of information we are keen to share with you. Don't forget in case of emergency we have a 24 hour service. We are sure Village Vet Winchmore Hill will meet all of your expectations in treatment and service but if at any time we fall short, please let us know.
